NRI Forum Karnataka
Government of Karnataka

I am happy to note that the NRI Achievers, an exclusive magazine for NRIs, PIOs & OCIs, is participating in 'Pravasi Bharatiya Diwas' (January 7-9, 2017) Bengaluru, Karnataka as Media Partner. Significantly, the publication is bringing out an exclusive feature to mark the flagship programs of the Government of India & Govt. of Karnataka.

Highlighting opportunity in states for NRIs and PIOs, the publication deserves accolades for covering their commendable contribution in India's Socio-economic development in diverse sectors and opening new investment avenues & for providing a platform linking largely unknown NRI, PIO & OCI Indians in different countries and continents, by featuring Diaspora contributions, achievements and successes.

I wish the publication a mega success for bridging the gap and disconnect - however small - that exists between India and our Diaspora across the world.

Thanks and regards.

A handwritten signature in blue ink that reads 'Arathi Krishna'.
